

Email motions to [chair@cusu.cam.ac.uk](mailto:chair@cusu.cam.ac.uk) by 12 noon on the Tuesday before Council.

**Motion to** [e.g. Support Fair and Equal Pay/Provide Tutor Training - just describe what it is you want]

Proposed by: [any student can propose and second a motion, you don't have to be an elected officer. You'll be asked to make a short speech on your motion at council and to answer any questions]

Seconded by: [the motion has to have a seconder! If you don't have one, get in touch with [sabbs@cusu.cam.ac.uk](mailto:sabbs@cusu.cam.ac.uk) and one of the sabbatical officers can second it!]

### **CUSU Notes:**

[put in here in numbered points the basic outline of what it is you want CUSU to take a stance on - this is for facts and figures! - or an outline of the events surrounding this motion e.g:

1. X percent of students suffer from X problem (and cite your sources!)
2. Cambridge University have X stance on the issue/have carried out X on the issue
3. [some more details about the causes of you bringing this motion to council, but presented in a 'neutral', 'factual' way]

### **CUSU Believes:**

[this is where you explain why it is specifically important and state what you think CUSU should say we believe on the issue - this is where your opinions/politics come in! Also can link it to broader goals e.g. antiracism/supporting survivors/campaigning on divestment etc - e.g:

1. All students should be supported in their time at Cambridge, no matter their race, sexuality etc.
2. X issue is having X negative impact on our University community
3. Y solution [that you will put in CUSU Resolves] will alleviate X issue in these ways...]

### **CUSU Resolves:**

[here you just write what you want out of CUSU - e.g:

1. To campaign for X cause by:
  - a. Producing and distributing promotional materials to colleges and across the University;
  - b. Lobbying the University to take X stance;
  - c. Posting a statement on this issue from the official CUSU channels;
  - d. Providing X amount of Council Free Budget to support this campaign in X way

There could be more than one thing you want CUSU to do, or more than one outcome which you want to be prepared for - this section can be more than one bullet point! Avoid targeting it at

*specific sabbs (unless essential) because these motions (if passed!) will be allocated to members of the CUSU Executive every week]*
