

Freddie Poser for University Councillor

Proper Scrutiny, Real Accountability

What I'll Fight For

As University Councillor I will fight to hold the leadership to account. My number one priority will be that students feel safe and supported while here in Cambridge, which means tackling the clear deficiencies in the safeguarding and disciplinary processes.

1. Real Support for Victims of Sexual Abuse
 - All sexual harassment and assault cases should be dealt with by the independent OSCCA
 - An independent, university wide review into disciplinary processes
 - Improved funding for the counselling service so victims get the support they need, specifically for the Sexual Assault and Harassment Advisor
2. Real Accountability and Transparency
 - Regular publication of statistics like gender attainment gaps
 - Easily understandable summaries of the University's budget
3. A Higher Quality of Education
 - University wide lecture recording
 - Better training and oversight of lecturers
 - Lobby for better pay for lecturers
4. A Greener Cambridge
 - Support the divestment campaigns
 - Fight to make Cambridge greener *now* by encouraging green procurement procedures
 - Work with JCRs to promote green policies at every level
5. A Fairer Cambridge
 - Push to reduce inequalities between colleges, including in education and bursar practices
 - Fight for increased support for students from low income backgrounds
 - Advocate for a continued commitment to broadening access across Cambridge

Why Me?

I am a second year undergraduate at Gonville & Caius and I have real experience running campaigns and holding people in positions of power to account.

I have worked with city councillors on campaigns like fighting the barrier on King's Parade. I frequently use FOI requests to scrutinise bodies, from colleges to borough councils. I also helped Peter McLaughlin to examine and appeal the faulty NUS delegate election to make sure that every student's voice counted equally.

I will be there to look out for the interests of the students and will listen to you.
